As you consider becoming a member of Hope Street there are three things we want you to know that we deeply value and are committed to do; Cultivating hope, protection from the dangerous elements found right outside our door, and growing together in a community with each other and Jesus. In order to become a member of Hope Street we will ask you to value and be committed to the same. Please initial next to each if you are:

I am committed to **growing together** in this community. _____

Belong (1st Month)

I am committed to spending 4 hours per week for the first 30 days _____

Believe (2nd, 3rd, 4th Month)

In the next 90 days we will give you opportunities to see **what we believe**, and how these beliefs if lived in your normal everyday life will change your habits and allow you to begin flourishing! It will take a commitment of about 9 hours a week.

I am committed to spending 9 hours per week for about the next 90 days _____

Behave (5th, 6th Month)

In the following 60 days we will help you see how your **behavior is changing for the better!** We will give you opportunities to experiment and enjoy the things you have learned. In this final phase it will take a commitment of about 8 hours a week.

I am committed to spending about 8 hours per week for the next 60 days _____

If you should be asked to leave (relapse or other reason) you will have 30 minutes to grab some of your belongings, turn in your keys, and will be walked out of the building by Hope Street staff. You will have one week from that day to make an appointment with staff to remove the rest of your belongings from the building. Items left after a week will be disposed of as staff sees fit.

Welcome to our community! We hope to see you flourish in ways that neither of us could ever imagine. If what you committed to above changes, we understand that you may choose to leave. In the same way if you do not honor those commitments, a consequence may be that your membership will be terminated.
